July 24, 2009

N&A Project No. 10-09-0072-201

Board of County Commissioners of Sumter County, Florida
c/o William F. "Bill" Stevens Jr., P.E.
Sumter County Public Works
319 East Anderson Avenue
Bushnell, Florida 33513

Proposal for Quality Control Materials Testing Services
Morse Boulevard Phase 1 - CR 466 to Rio Grande Avenue, Sumter County, Florida
Project Start Station 115+27.54 to Project End 172+51.31
Including Milling/Resurfacing of a portion of Carrera Drive

Dear Mr. Stevens:

103-340-541-6580

Christopher Germana, P.E. with Kimley-Horn & Associates provided our office a copy of the Construction Plans for the subject project. We will provide experienced engineering technicians on an "as-needed" basis for the project duration. The engineering technicians will perform all the quality-control services and special tests and inspections that may be required or requested by your office and others. We will provide all our services in conformance with the project specifications, as may be necessary for the successful and timely completion of this project.

Project construction elements will include: overlay existing pavement sections, pavement reconstruction and widening for cart lanes and turn lanes, mill and overlay existing pavement sections, rehabilitation of pavement sections, pipeline construction, concrete curb, traffic signal structures, and storm drain structure reconstruction.

We estimate a not-to-exceed project budget for our services of \$15,000. We will invoice only for actual services completed in accordance with the Geotechnical Services Fee Schedule that is part of the current Agreement for Professional Geotechnical and Materials Testing Services between Sumter County and Nodarse & Associates, Inc. We appreciate the opportunity to continue to assist Sumter County Public Works

Sincerely,

NODARSE & ASSOCIATES, INC.
